EMERGENCY CONTACT: Chemtrec 1-800-424-9300*For Invitro Diagnostic Use Only***Formic Acid Bone Decalcifier****IMMUNO-4™****DIRECTIONS FOR USE:**

Immuno-4™ is a very mild formic acid decalcifier. It is formulated from semiconductor grade formic acid and highly purified reagent grade water. Immuno-4 should be used when you are decalcifying bone for immunohistochemistry. Immuno-4 preserves the antigenicity of both decalcified needle biopsies of bone marrow and large specimens for immunochemical studies.

DANGER: Contains dilute acid. May be corrosive to metallic parts, skin, eyes and clothing. Avoid prolonged contact. Causes severe skin burns and eye damage. Do not breathe dust/fume/gas/mist/vapors/spray. Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue Rinsing. Immediately call a POISON CENTER or doctor/physician.

IF ON SKIN (OR HAIR): Take off immediately all contaminated clothing. Rinse skin with water/shower. Take off all contaminated clothing and wash it before reuse.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/physician.

IF SWALLOWED: Rinse mouth. DO NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.

IN CASE OF FIRE: Use CO₂, dry chemical, or foam for extinction.
