

Products for Anatomic Pathology

COVID-19 Update To our customers locally and globally:

Cancer Diagnostics, Inc. (CDI) is committed to ensuring the highest level of support for our customers and distributors as we continue to navigate through the COVID-19 crisis.

- We are taking precautions and following the guidelines set out by the CDC to prevent spreading of COVID-19 in relation to our business.
- Our company is fully staffed and customer service, territory sales managers, and management is easily reached by phone and email.
- Our 5 nationwide warehouses continue to receive and ship product and will remain open. Current inventory is being increased whenever possible to meet demand and our manufacturing facility in Durham, NC will continue to supply all manufactured products without disruption. Getting products to our customers and doing so safely is our priority. Updates will be effectively communicated to you at time of order.
- We pride ourselves in being agile, responsive, and creative and will continue to communicate updates and are working hard to prepare for all scenarios and adapt as needed to the situation as it continues to evolve.
- If you have any questions please contact our customer support team at 877.846.5393 x 1 or email csr@cancerdiagnostics.com or reach out to your local territory sales manager.

Thank you for being a continued supporter of CDI.

Sincerely,

Patrick O'Neill, CEO
